<u>1.</u>	Introduction and General Conditions of Bidding
1.1.	INVITATION - The County of Boone, through its Purchasing Department, invites responses, which offer to provide
	the goods and/or services identified on the title page, and described in greater detail in Section 2.
1.2.	DEFINITIONS
1.2.1.	County - This term refers to the County of Boone, a duly organized public entity. It may also be used as a pronoun
	for various subsets of the County organization, including, as the context will indicate:
	Purchasing - The Purchasing Department, including its Purchasing Director and staff.
	Department/s or Office/s - The County Department/s or Office/s for which this Bid is prepared, and which will be the
	end user/s of the goods and/or services sought.
	Designee - The County employee/s assigned as your primary contact/s for interaction regarding Contract
100	performance.
1.2.2.	Bidder / Contractor / Supplier - These terms refer generally to businesses having some sort of relationship to or
	with us. The term may apply differently to different classes of entities, as the context will indicate.
	<i>Bidder</i> - Any business entity submitting a response to this Bid. Suppliers, which may be invited to respond, or which express interest in this bid, but which do not submit a response, have no obligations with respect to the bid
	requirements.
	Contractor - The Bidder whose response to this bid is found by Purchasing to meet the best interests of the County.
	The Contractor will be selected for award, and will enter into a Contract for provision of the goods and/or services
	described in the Bid.
	Supplier - All business/s entities which may provide the subject goods and/or services.
1.2.3.	Bid - This entire document, including attachments. A Bid may be used to solicit various kinds of information. The
-	kind of information this Bid seeks is indicated by the title appearing at the top of the first page. An "Invitation For Bid"
	is used when the need is well defined. An "Invitation For Proposal" is used when the County will consider solutions,
	which may vary significantly from each other or from the County's initial expectations.
1.2.4.	Response - The written, sealed document submitted according to the Bid instructions.
1.3.	BID CLARIFICATION - Questions regarding this Bid should be directed in writing, preferably by fax, to the
	Purchasing Department. Answers, citing the question asked but not identifying the questioner, will be distributed
	simultaneously to all known prospective Bidders. Note: written requirements in the Bid or its Amendments are
101	binding, but any oral communications between County and Bidder are not.
1.3.1.	<b>Bidder Responsibility -</b> The Bidder is expected to be thoroughly familiar with all specifications and requirements of this Bid. Bidders failure or omission to examine any relevant form, article, site or document will not relieve them from
	any obligation regarding this Bid. By submitting a Response, Bidder is presumed to concur with all terms, conditions
	and specifications of this Bid.
1.3.2.	<b>Bid Amendment -</b> If it becomes evident that this Bid must be amended, the Purchasing Department will issue a
	formal written Amendment to all known prospective Bidders. If necessary, a new due date will be established.
1.4.	AWARD - Award will be made to the Bidder(s) whose offer(s) provide the greatest value to the County from the
	standpoint of suitability to purpose, quality, service, previous experience, price, lifecycle cost, ability to deliver, or for
	any other reason deemed by Purchasing to be in the best interest of the County. Thus, the result will not be
	determined by price alone. The County will be seeking the least costly outcome that meets the County needs as
	interpreted by the County. The County of Boone reserves the right to accept or reject any and all bids in the best
	interest of the County. The County also reserves the right to not award any item or group of items if the services can
	be obtained from cooperative MMPPC or other government contracts under more favorable terms.
1.5.	<b>CONTRACT EXECUTION -</b> This Bid and the Contractor's Response will be made part of any resultant Contract and
4 5 4	will be incorporated in the Contract as set forth, verbatim.
1.5.1.	<b>Precedence -</b> In the event of contradictions or conflicts between the provisions of the documents comprising this
	Contract, they will be resolved by giving precedence in the following order: 1) the provisions of the Contract (as it may be amended);
	<ul><li>2) the provisions of the Bid;</li></ul>
	<ul><li>a) the provisions of the Bidder's Response.</li></ul>

1.6. **COMPLIANCE WITH STANDARD TERMS AND CONDITIONS -** Bidder agrees to be bound by the County's standard "boilerplate" terms and conditions for Contracts, a sample of which is attached to this Bid.

#### County of Boone

## 2. Primary Specifications

- 2.1. **ITEMS TO BE PROVIDED** Boone County, hereafter referred to as "County", proposes to contract with an individual(s) or organization(s), hereinafter referred to as "Contractor" for a contract for the furnishing and installation of a new wireless gate control system for the Boone County parking lot located on Ash Street between 6<sup>th</sup> and 7<sup>th</sup> streets. This project shall include reversing the entrance and exit of the current lot access control system. The bid price shall include any and all labor and materials necessary for a complete installation of the access system.
- 2.1.1. The contractor must re-use all existing gate equipment during installation of the new wireless system.
- 2.1.2. The current entrance is located on the West side of the parking lot (6th Street side).
- 2.1.3. The current exit is located on the East side of the parking lot (7<sup>th</sup> Street side).
- 2.1.4. Entrance Requirements Barrier Gate, Wireless Card Reader Mounted On Pedestal and Loop Detector Assembly (Safety Loop).
- 2.1.5. **Exit Requirements -** Barrier Gate, Loop Detector Assembly (Free Exit Loop) and Loop Detector Assembly (Safety Loop).
- 2.2. **REQUIRED EQUIPMENT** The contractor must provide all labor, materials, equipment and transportation required to furnish all parking control equipment for a complete and operable system, including but not limited to the following:
- 2.2.1. Entrance Pedestal Card Access Equipment The existing entrance gate pedestal including gate and motor shall be incorporated into the new card reader system. The new reader shall be in a self-contained package that includes an RF module, digital signal processor (DSP), power supply, antenna, I/O ports and serial communications interface. The reader shall include an antenna that is externally mounted.
- 2.2.1.1. The reader's RF may remain in the off position until activated by a vehicle crossing via in-ground detection loop or have RF on all the time, depending on site requirements. Once activated, the AVI system shall generate an RF signal that is reflected from a compatible RF identification tag mounted in the vehicle. The reader unit shall then decode the tag data carried by the reflected signal. This data shall be transmitted to the central computer for processing. Reader shall have a DKS 1529 Controller and a memory size of no less than 125 cards.
- 2.2.1.2. The unit shall be capable of reading the following tag types:
  - eGo 64 bit ID only or full 1024 bits of tag memory
  - Amtech Half frame ATA formatted
  - Amtech Full frame ATA formatted
  - · Wiegand 26-bit to 56-bit identification card formats
- 2.2.1.3. The unit shall operate with beam or battery powered tags. Unit parameters shall include the following:
  - Frequency Range 912.5 to 919 MHz FCC-authorized in United States RF Control By sense input or host command Polarization — Horizontal or vertical
  - Range Optimal: 3.7 m (12 ft), Maximum: 5.2 m (17 ft)
  - 110 Control Input: Two independent dry contact closures for sense circuits. Outputs:
  - Two independent form C contacts
  - Enclosure The reader shall be a self contained device
  - Operating Temperature: -40 to +55 ° C (-40° F to +131° F)
  - Humidity 100% condensing Vibration 0.5Grrns, to 500 Hz
  - Standards Shall comply with the requirements of Underwriters Laboratories UL 1950 Standard for Safety of Information Technology Equipment
  - Licensing The unit shall be verified to Part 15 of the FCC rules for a Class "A" digital device
  - Communications Interface RS-232 or Ethernet

- 2.2.2. Reader Tag Cards The tags shall be RF field disturbance devices. They shall encode the signal received from the AVI reader with a unique identification number or data message. The encoded signal shall be reflected (backscattered) back to the AVI reader. Tag parameters shall include the following:
  - Frequency Range 902 to 928 MHz
  - Typical Working Range Optimal: 3.7 m (12 ft), Maximum: 5.2 m (17 ft)
  - Polarization Horizontal or vertical, parallel with longer side of case
  - Power Source Beam or battery powered
  - Service Life Indefinite for beam powered, 5 to 10 year depending on battery tag selection.
  - 915 MHz Radio Frequency (RF) programmable, beam-powered transponder.
  - Packaged in the form of a flexible sticker much like a vehicle registration sticker.
  - Designed to be read by TransCore's eGo2I 10 RFID Reader or equivalent.
- 2.2.3. Parking Barrier Gates This project will reuse the two existing parking barrier gates. One gate will be used in conjunction with the Wireless Card Access Equipment. Entrance barrier arm shall retract quickly on command signal from wireless card reader and return to lower position upon signal from vehicle detector beyond gate location. The second will be used as the exit gate which will retract quickly on command signal from the loop detector. Gates shall provide an effective barrier to vehicles in entrance and exit lanes.
- 2.2.3.1. Gate Arm The contractor must re-use the existing gate arm. Height of gate arm shall be approximately 36 inches from drive level when in DOWN position.
- 2.2.3.2. Gate Arm Motors and Drives The contractor must re-use the existing gate arm motors and drive. Motors and drives shall be adjusted for full travel.
- 2.2.3.3. Gate Arm Control The contractor shall replace, reconfigure, or modify the gate arm control as required.
- 2.2.4. Loop Assemblies The loop wires shall be four turns #14 U.F. as determined by design control systems with an inductance of from 30 to 1000 microhenries. The lead shall not exceed 100 feet.
- 2.2.4.1. Control Wiring Contractor shall provide control wiring between control conduit stub-ups and equipment, and between equipment items at each control location.
- 2.2.5. Contractor Responsibilities In connection with the placement of this equipment, the contractor will be required to provide the following:
- 2.2.5.1. Verify Power Supply Contractor will verify power supply and existing conduit stub-up locations.
- 2.2.5.2. Verify Equipment Location Contractor will verify with the County representative all locations of parking equipment concrete pads, if any, protection posts, if any, to assure appropriate equipment protection and access.
- 2.2.5.3. Contractor must promptly correct all defects for which the Contractor is responsible.
- 2.2.5.4. At the end of each work day, the contractor shall remove all waste and debris and shall leave the site neat and clean. .
- 2.2.5.5. **TRAINING** Contractor to provide training for the operation and maintenance of the equipment after the equipment has been installed.
- 2.2.6. County Responsibilities The County shall be responsible for and also approve all locations of parking equipment and loops.
- 2.2.7. **Deviation(s)** Any deviation(s) to the above specification(s) shall be listed on a separate sheet(s) of paper and attached to the bid response form identifying the section number, component(s) with deviation(s) and a clearly defined explanation for the deviation(s).
- 2.2.8. It is the bidder's responsibility to submit a bid that meets all mandatory specifications stated within. Because of the complexity and number of required specifications, the bidder must compare their product bid with the required listed minimum specifications and identify any deviations. Failure to properly identify deviations may render the bid non-responsive and not capable of consideration for award. Bidders should note that a descriptive brochure of the model bid may not be acceptable as proper identification of deviations from the written specifications.
- 2.3. **PREVAILING WAGE RATES** Prevailing hourly rate of wages is not required for this project.
- 2.4. **BILLING AND PAYMENT -** Payment shall be made after the work has been completed and an invoice has been received. The vendor must reference the purchase order number on the invoice. The vendor must submit an invoice and charges must only include prices listed in the vender's bid response. No additional fees or taxes shall be included as additional charges. Invoices should be submitted to Jody Moore, 601 E. Walnut, Room 205, Columbia, MO 65201 for payment which will be made 30 days after receipt of a correct and valid invoice.

- 2.5. **INSURANCE REQUIREMENTS** The Contractor shall not commence work under this Contract until they have obtained all insurance required under this paragraph and the County has approved such insurance. All policies shall be in amounts, form, and companies satisfactory to the County. The County must carry an A-6 or better rating as listed in the A.M. Best or Equivalent Rating Guide.
- 2.5.1. **Compensation Insurance** Contractor shall take out and maintain during the life of this contract, **Employee's Liability and Workers Compensation Insurance** for all of their employees employed at the site of work, and in case any work is sublet, the Contractor shall require the subcontractor similarly to provide Worker's Compensation Insurance for all of the latter's employees unless such employees are covered by the protection afforded by the Contractor.

Worker's Compensation coverage shall meet Missouri statutory limits. Employers' Liability limits shall be \$500,000.00 each employee, \$500,000.00 each accident, and \$500,000.00 policy limit. In case any class of employees engaged in hazardous work under this Contract at the site of the work is not protected under the Worker's Compensation Statute, the Contractor shall provide and shall cause each subcontractor to provide Employers' Liability Insurance for the protection of their employees not otherwise protected.

- 2.5.2. **Comprehensive General Liability Insurance -** The Contractor shall take out and maintain during the life of this contract, such comprehensive general liability insurance as shall protect them from claims for damages for personal injury including accidental death, as well as from claims for property damages, which may arise from operations under this contract, whether such operations be by themselves or by anyone directly or indirectly employed by them. The amounts of insurance shall be not less than \$1,000,000.00 per project limit for any one occurrence covering both bodily injury and property damage, including accidental death. If the Contract involves any underground/digging operations, the general liability certificate shall include X, C, and U (Explosion, Collapse, and Underground) coverage. If providing Comprehensive General Liability Insurance, then the Proof of Coverage of Insurance shall also be included. **Proof of Coverage of Insurance -** The Contractor shall furnish the County with Certificate(s) of Insurance which name **the County of Boone Missouri as additional insured** in an amount as required in this contract and requiring a thirty (30) day mandatory cancellation notice. In addition, such insurance shall be on an occurrence basis and shall remain in effect until such time as the County has made final acceptance of the project.
- 2.5.3. **Commercial Automobile Liability** The Contractor shall maintain during the life of this contract, automobile liability insurance in the amount of not less than \$1,000,000.00 combined single limit for any one occurrence, covering both bodily injury, including accidental death, and property damage, to protect themselves from any and all claims arising from the use of the Contractor's own automobiles, teams and trucks; hired automobiles, teams and trucks; and both on and off the site of work.
- 2.5.4. The Contractor has the option to provide **Owner's Contingent or Protective Liability and Property Damage** instead of the **Comprehensive General Liability Insurance-** The Contractor shall provide the County with proof of Owner's Protective Liability and Property Damage Insurance with the County as named insured, which shall protect the County against any and all claims which might arise as a result of the operations of the Contractor in fulfilling the terms of this contract during the life of the Contract. The minimum amounts of such insurance will be \$1,000,000.00 per occurrence, combined single limits. Limits can be satisfied by using a combination of primary and excess coverages. Should any work be subcontracted, these limits will also apply.
- 2.5.5. **Proof of Coverage of Insurance -** The Contractor shall furnish the County with Certificate(s) of Insurance which name **the County of Boone Missouri as additional insured** in an amount as required in this contract and requiring a thirty (30) day mandatory cancellation notice. In addition, such insurance shall be on an occurrence basis and shall remain in effect until such time as the County has made final acceptance of the project.
- 2.5.6. **Indemnity Agreement -** To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend the County of Boone, its directors, officers, agents, and employees from and against all claims arising by reason of any act or failure to act, negligent or otherwise, of Contractor, (meaning anyone, including but not limited to consultants having a contract with Contractor or subcontractor for part of the services), of anyone directly or indirectly employed by contractor, or of anyone for whose acts the Contractor may be liable, in connection with providing these services. This provision does not, however, require Contractor to indemnify, hold harmless or defend the County of Boone from its own negligence.

- 2.6. SALES/USE TAX EXEMPTION County will provide the Contractor with a completed Missouri Project Exemption and Missouri Tax Exemption letter for Boone County, Missouri and the Contractor shall be responsible for furnishing the exemption certificate and tax exemption letter to all authorized sub-contractors and suppliers providing materials incorporated in the work. All invoices issued for purchases for such materials, supplies, and taxable rentals shall be in the name of Boone County and contain the project number assigned by Boone County for the contract awarded. It shall be the responsibility of the Contractor to insure that no sales or use taxes are included in the invoices and that the County pays no sales/use taxes from which it is exempt. The Contractor shall be responsible for obtaining revised exemption certificate and revised expiration dates if the work extends beyond the estimated project completion date or a certificate for a period of five years and for compliance with all other terms and conditions of section 144.062 RSMo. Not otherwise herein specified. The Contractor agrees not to use or permit others to use the project exemption certificate for taxable purchases of materials or rentals and supplies not directly incorporated into or used in the work to which it applies and agrees to indemnify and hold the County harmless from all losses, expenses and costs including litigation expenses and attorney fees resulting from the unauthorized use of such project exemption certificates.
- 2.7. BID CLARIFICATION Heather Turner, Buyer, 601 E. Walnut, Room 209, Columbia, MO 65201. Telephone (573) 886-4392 or Facsimile (573) 886-4390 or Email: <u>hturner@boonecountymo.org</u>

## 3. *Response Presentation and Review*

- 3.1. **RESPONSE CONTENT -** In order to enable direct comparison of competing Responses, Bidder must submit Response in strict conformity to the requirements stated herein. Failure to adhere to all requirements may result in Bidder's Response being disqualified as non-responsive. All Responses must be submitted using the provided Response Sheet. Every question must be answered and if not applicable, the section must contain "N/A." Manufacturer's published specifications for the items requested shall be included with the response.
- 3.2. **SUBMITTAL OF RESPONSES -** Responses MUST be received by the date and time noted on the title page under "Bid Submission Information and Deadline". NO EXCEPTIONS. The County is not responsible for late or incorrect deliveries from the US Postal Service or any other mail carrier.
- 3.2.1. Advice of Award If you wish to be advised of the outcome of this Bid, the results may also be viewed on our web page <u>www.showmeboone.com</u>.
- 3.3. **BID OPENING -** On the date and time and at the location specified on the title page, all Responses will be opened in public. Brief summary information from each will be read aloud, and any person present will be allowed, under supervision, to scan any Response.
- 3.3.1. **Removal from Vendor Database -** If any prospective Bidder currently in our Vendor Database to whom the Bid was sent elects not to submit a Response and fails to reply in writing stating reasons for not bidding, that Bidder's name may be removed from our database. Other reasons for removal include unwillingness or inability to show financial responsibility, reported poor performance, unsatisfactory service, or repeated inability to meet delivery requirements.
- 3.4. **RESPONSE CLARIFICATION** The County reserves the right to request additional written or oral information from Bidders in order to obtain clarification of their Responses.
- 3.4.1. **Rejection or Correction of Responses** The County reserves the right to reject any or all Responses. Minor irregularities or informalities in any Response which are immaterial or inconsequential in nature, and are neither affected by law nor at substantial variance with Bid conditions, may be waived at our discretion whenever it is determined to be in the County's best interest.
  - 3.5. **EVALUATION PROCESS** The County's sole purpose in the evaluation process is to determine from among the Responses received which one is best suited to meet the County's needs at the lowest possible cost. Any final analysis or weighted point score does not imply that one Bidder is superior to another, but simply that in our judgment the Contractor selected appears to offer the best overall solution for our current and anticipated needs at the lowest possible cost.
- 3.5.1. Method of Evaluation The County will evaluate submitted Responses in relation to all aspects of this Bid.
- 3.5.2. Acceptability The County reserves the sole right to determine whether goods and/or services offered are acceptable for County use.
- 3.5.3. Endurance of Pricing Bidder's pricing must be held until contract execution or 60 days, whichever comes first.
