

BOONE COUNTY, MISSOURI
Request for Proposal #: 59-09DEC08 – Physical Fitness Training

ADDENDUM #1 - Issued November 19, 2008

This addendum is issued in accordance with the Scope of Services of the Request for Proposal and is hereby incorporated into and made a part of the Request for Proposal Documents. Offerors are reminded that receipt of this addendum **should** be acknowledged and submitted with Offeror's *Proposal*.

Specifications for the above noted Request for Proposal and the work covered thereby are herein modified as follows, and except as set forth herein, otherwise remain unchanged and in full force and effect:

I. Additional information is provided below for clarification to section 3.2. Background Information:

Most often injuries have been sustained in the shoulders and knees in the form of tears and sprains.

The Defensive Tactics Training has been the cause of most officer injuries. The Defensive Tactics program used by the Boone County Sheriff's Department is similar to programs such as PPCT, CLAMP, and GRASP. The program focuses on elements of joint locks, pressure point control, and handcuff tactics.

II. Replace section 3.3.9. of RFP Scope of Services as follows:

- 3.3.9.** Personal and group training sessions shall be taught with minimum qualifications of a certified Personal Trainer. If sessions will be taught by someone qualifications other than Personal Training certification, please include related certification or experience that would make that person qualified.
