1. Introduction and General Conditions of Bidding

- 1.1. **INVITATION** - The County of Boone, through its Purchasing Department, invites responses, which offer to provide the goods and/or services identified on the title page, and described in greater detail in Section 2.
- 1.2. **DEFINITIONS**
- 1.2.1. **County** - This term refers to the County of Boone, a duly organized public entity. It may also be used as a pronoun for various subsets of the County organization, including, as the context will indicate:
Purchasing - The Purchasing Department, including its Purchasing Director and staff.
Department/s or Office/s - The County Department/s or Office/s for which this Bid is prepared, and which will be the end user/s of the goods and/or services sought.
Designee - The County employee/s assigned as your primary contact/s for interaction regarding Contract performance.
- 1.2.2. **Bidder / Contractor / Supplier** - These terms refer generally to businesses having some sort of relationship to or with us. The term may apply differently to different classes of entities, as the context will indicate.
Bidder - Any business entity submitting a response to this Bid. Suppliers, which may be invited to respond, or which express interest in this bid, but which do not submit a response, have no obligations with respect to the bid requirements.
Contractor - The Bidder whose response to this bid is found by Purchasing to meet the best interests of the County. The Contractor will be selected for award, and will enter into a Contract for provision of the goods and/or services described in the Bid.
Supplier - All business/s entities which may provide the subject goods and/or services.
- 1.2.3. **Bid** - This entire document, including attachments. A Bid may be used to solicit various kinds of information. The kind of information this Bid seeks is indicated by the title appearing at the top of the first page. An "Invitation For Bid" is used when the need is well defined. An "Invitation For Proposal" is used when the County will consider solutions, which may vary significantly from each other or from the County's initial expectations.
- 1.2.4. **Response** - The written, sealed document submitted according to the Bid instructions.
- 1.3. **BID CLARIFICATION** - Questions regarding this Bid should be directed in writing, by e-mail or fax, to the Purchasing Department. Answers, citing the question asked but not identifying the questioner, will be distributed simultaneously to all known prospective Bidders. Note: Written requirements in the Bid or its Amendments are binding, but any oral communications between County and Bidder are not.
- 1.3.1. **Bidder Responsibility** - The Bidder is expected to be thoroughly familiar with all specifications and requirements of this Bid. Bidder's failure or omission to examine any relevant form, article, site or document will not relieve them from any obligation regarding this Bid. By submitting a Response, Bidder is presumed to concur with all terms, conditions and specifications of this Bid.
- 1.3.2. **Bid Amendment** - If it becomes evident that this Bid must be amended, the Purchasing Department will issue a formal written Amendment to all known prospective Bidders. If necessary, a new due date will be established.
- 1.4. **AWARD** - Award will be made to the Bidder(s) whose offer(s) provide the greatest value to the County from the standpoint of suitability to purpose, quality, service, previous experience, price, lifecycle cost, ability to deliver, or for any other reason deemed by Purchasing to be in the best interest of the County. Thus, the result will not be determined by price alone. The County will be seeking the least costly outcome that meets the County needs as interpreted by the County. The County also reserves the right to not award any item or group of items if the services can be obtained from cooperative MMPPC or other governmental contracts under more favorable terms. Boone County reserves the right to award this bid on an item by item basis, or an "all or none" basis, whichever is in the best interest of the County.
- 1.5. **CONTRACT EXECUTION** - This Bid and the Contractor's Response will be made part of any resultant Contract and will be incorporated in the Contract as set forth, verbatim.
- 1.5.1. **Precedence** - In the event of contradictions or conflicts between the provisions of the documents comprising this Contract, they will be resolved by giving precedence in the following order:
 1) the provisions of the Contract (as it may be amended);
 2) the provisions of the Bid;
 3) the provisions of the Bidder's Response.
- 1.6. **CONTRACT PERIOD** - Any Term and Supply Contract period resulting from this Bid will have an initial term from the date of award through June 30, 2010, and may be automatically renewed for an additional two (2) years unless canceled by Purchasing Director in writing prior to a renewal term.
- 1.7. **COMPLIANCE WITH STANDARD TERMS AND CONDITIONS** - Bidder agrees to be bound by the County's standard "boilerplate" terms and conditions for Contracts, a sample of which is attached to this Bid.

2. Primary Specifications

- 2.1. **ITEMS TO BE PROVIDED** – Boone County, hereafter referred to as “County”, proposes to contract with an individual(s) or organization(s), hereinafter referred to as “Contractor” for a Term and Supply contract for the furnishing and delivery of **Automotive Parts and Accessories** on an *as needed* basis as detailed in the following specifications.
- 2.1.1. **Estimated Quantity** - The County estimates that approximately \$50,000.00 will be expended from the automotive parts and accessories line item of the 2006 Boone County Budget. The County anticipates a multi-vendor contract award for these products and cannot provide a minimum guaranteed quantity. The expenditures specified herein are estimates only based on past usage and anticipated future requirements, and as such, do not constitute a guarantee on the part of the County.
- 2.1.2. The Contractor shall stock sufficient quantity of supplies to meet the requirements of the County on an “as needed” basis within seventy-two (72) hours after being notified of such requirements by the County.
- 2.2. The unit prices for the items identified on the Response Form shall remain fixed for the identified original contract period. If the County exercises the option for renewal, the contractor shall agree that the prices for the items listed on the Response Form shall not increase by more than the maximum percent proposed on the Response Form.
- 2.2.1. If renewal percentages are not provided for the items listed on the Response Form, then prices during any renewal period shall be the same as during the original contract period.
- 2.3. **CONTRACT DOCUMENTS** - The successful bidder(s) shall be obligated to enter into a written contract with the County within 30 days of award on contract forms provided by the County. If bidders desire to contract under their own written agreement, any such proposed agreement shall be submitted in blank with their bid. County reserves the right to modify any proposed form agreement or withdraw its award to a successful bidder if any proposed agreement contains terms and conditions inconsistent with its bid or are unacceptable to county legal counsel.
- 2.4. **CONTRACT EXTENSION** - The County Purchasing Director may exercise the option to extend the contract on a month-to-month basis for a maximum of 6 months from the date of termination if it is deemed to be in the best interest of Boone County.
- 2.5. **PRICING** – All prices shall be as indicated on the Response Form. The County shall not pay nor be liable for any other additional costs including but not limited to: taxes, packing, handling, shipping and freight, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc. Additionally, the County shall not be subject to any minimum order quantities or total prices.
- 2.5.1. All prices shall be FOB Destination, freight prepaid and allowed. This shall mean that the contractor bears all insurance costs and responsibilities for transporting the items, and the cost of freight, delivery, shipping, etc. must be built into the unit cost of the item. The County shall not pay freight, etc. in addition to the price of the item.
- 2.5.2. All prices quoted must be prices for new merchandise, free from defects.
- 2.6. **Standard Automotive Parts and Accessories** - Section 4.7. on the *Response Form* lists standard automotive parts and accessories the County has identified as standard items to be purchased from this contract(s). The County’s purchases will not be limited to this list. Bidders shall price each item listed. Prices shall be firm for the initial contract period. Bidders must provide a maximum percentage cost increase for the second and third renewal periods for these items.
- 2.7. **Catalog Discount Items** – Bidder must state jobber cost plus or minus percentage on all parts on the *Response Page*. Percentage discounts offered will remain firm for the duration of the contract and will apply to all parts sold to the County. Other items not specifically indicated, for which bidder may be distributor, will be supplied less the percentage discount noted on the Response Page from the noted manufacturer’s current Blue Sheet Jobber’s Published Price List.
- 2.7.1. In addition to discounts offered in this bid, the Contractor shall pass on all manufacturers’ special discounts or programs. If prices decline, or should the Contractor at any time during the life of said agreement sell the same materials or service under similar quantity and delivery conditions to

- any one else at prices below those quoted to the County, such lower prices shall be immediately extended to the County. Such changes may be made retroactive if appropriate.
- 2.7.2. When the manufacturer's price list changes the Contractor shall provide two copies of updated prices lists before the new prices are effective. These shall be sent to the Tyson Boldan, Buyer, Boone County Purchasing, 601 E. Walnut, Room 209, Columbia, MO 65201.
 - 2.7.3. It will be the Contractor's responsibility to keep the County informed of price changes. Failure to notify the County will result in termination of the agreement.
 - 2.7.4. Any alterations in manufacturers' price list by individual Bidders may be basis for voiding the entire offer of such Bidder.
 - 2.7.5. Prices shall include packaging, delivery, and all other costs associated with completing each order. No additional costs of any kind may be added to the bid prices.
 - 2.7.6. Periodically, during the contract period, various Contractor invoice prices will be compared with sample item prices to verify Contractor compliance with proposed contract pricing terms.
 - 2.7.7. Price increases will only be allowed when the Contractor can prove, by published price lists, that manufacturer's prices have increased. Price increases may not be retroactive. In no circumstance may the jobber plus or minus percentage rate change.
 - 2.8. **Product Substitutions** – All product substitutions offered must be pre-approved by the Boone County Shop Superintendent in writing. The County reserves the right to request samples of any substitutes. These samples will be free of charge. Interpretation of "equal or better" is to be determined at the sole discretion of the county staff.
 - 2.9. **Return Policy** – The Contractor shall take back all merchandise returned in good condition for full credit. All merchandise returns will be at no additional charge to the County.
 - 2.10. **Warranty** – The Contractor shall furnish factory warranties on all parts furnished against defect in materials and/or workmanship. The factory warranty shall become effective on the date of acceptance by the County. Should any defect in materials or workmanship, except ordinary wear and tear, appear during the above stated warranty period, the Contractor shall repair or replace the same at no cost to the County.
 - 2.11. **The following submittals shall be included with Bidder's response:**
 - a) Jobber sheets for each manufacturer offered. Any alterations in manufacturer's price list by individual Bidders may be basis for voiding the entire offer of such Bidder. Failure to submit price lists may result in rejection of bid.
 - b) Bidders may be requested to furnish samples of parts. The samples may be retained by the County to compare quality level of goods shipped during the life of the contract.
 - c) Contractor(s) shall provide current catalogs at time of award.
 - 2.12. **DESIGNEE** – Boone County Public Works Department, Greg Edington, Shop Superintendent, 5551 Highway 63 South, Columbia, Missouri 65201.
 - 2.12.1. **Bid Clarification** - Any questions or clarifications concerning bid documents should be addressed in writing to Tyson Boldan, Buyer, 601 E. Walnut, Room 209, Columbia, Missouri 65201 or by faxing to (573) 886-4390.
 - 2.13. **DELIVERY** – FOB Destination, Inside Delivery. All deliveries shall be made FOB Destination with freight charges fully included and prepaid. The seller pays and bears the freight charges. Bi-weekly stock orders **MUST BE DELIVERED** to: Boone County Public Works; 5551 Highway 63 South; Columbia, MO 65201.
 - 2.14. **Authorized Agents** - From time to time the County will elect to pick-up goods ordered under this contract. Contractors shall be responsible for securing County employees identity prior to issuing supplies. The County will not be responsible for supplies issued to persons not properly identified as current County employees.
 - 2.15. **PAYMENT TERMS** - All billing shall be invoiced to the County department placing the order and billings may only include the prices listed in the vendor's bid response. No fees for set up, clean up, labor, delivery, or taxes shall be included as additional charges in excess of the charges in the Vendor's bid response to the specifications. The County agrees to pay all invoices within thirty days of receipt of an **accurate MONTHLY** statement.
 - 2.16. **Award of Contract:** The County reserves the right to award to more than one (1) supplier.

Multiple awards **may** be made on the basis of a primary, secondary, and tertiary supplier.

- 2.17. **NON-EXCLUSIVITY** - The County reserves the right to obtain "like or similar" products of this or other manufacturers, exclusive of this contract, when use of such products is deemed to be in the best interest of the County.

3. Response Presentation and Review

- 3.4. **RESPONSE CLARIFICATION** - The County reserves the right to request additional written or oral information from Bidders in order to obtain clarification of their Responses.
 - 3.4.1. **Rejection or Correction of Responses** - The County reserves the right to reject any or all Responses.
