**ADDENDUM #2 - Issued June 9, 2011**

This addendum is issued in accordance with the Introduction and General Information in the Request for Proposal and is hereby incorporated into and made a part of the Request for Proposal Documents. Offerors are reminded that receipt of this addendum **should** be acknowledged and submitted with Offeror’s *Response Page*.

Specifications for the above noted Request for Proposal and the work covered thereby are herein modified as follows, and except as set forth herein, otherwise remain unchanged and in full force and effect:

The County received the following questions and are providing a response below:

- 1) **Question:** Would it be possible to obtain the RFP in Microsoft word format?

**Response:** Offerors may e-mail [mbobbitt@boonecountymo.org](mailto:mbobbitt@boonecountymo.org) to request a copy of the RFP in Word.

- 2) **Question:** Would it be possible to obtain a breakdown of claims for the past 3 years by claim type:
- Medical only
  - Indemnity
  - Incident only
  - Bodily injury
  - Property Damage
  - Property
  - Auto Physical Damage
  - professional liability

**Response:** The County did provide breakout of five years of claims broken down by medical and indemnity - both summary by year and detail.

Attached is a word document with details of five years of incident only claims. The other items requested are not coverages that will be contracted under this RFP. This is an RFP for workers compensation excess coverage only - not property, liability, auto or any other risks. Those risks are covered under an intergovernmental agreement with MOPERM.
