

**BOONE COUNTY, MISSOURI**  
Request for Bid #: 43-13SEP12– High Point Lane Bridge Replacement & Box  
Culvert Repair

**ADDENDUM #1 - Issued September 10, 2012**

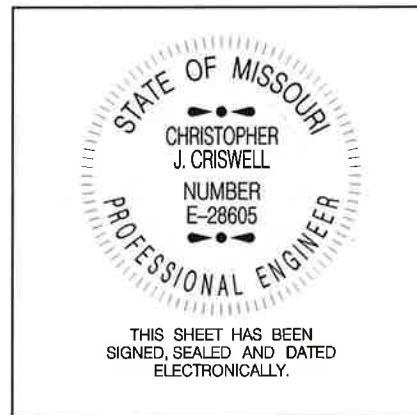

This addendum is issued in accordance with the Request for Bid Project Plans and/or Details and is hereby incorporated into and made a part of the Request for Bid Documents. Offerors are reminded that receipt of this addendum **SHOULD** be acknowledged and submitted with Offeror's *Response Form*.

Specifications and Plans for the above noted Request for Bid and the work covered thereby are herein modified as follows, and except as set forth herein, otherwise remain unchanged and in full force and effect:

- 1. The overhead electric line will NOT be relocated. The line will be covered/insulated and remain covered for the duration of construction. The line can be de-energized or deactivated for short periods of time such as 1-2 days. Coordination with Boone Electric for de-energizing of the line will be the responsibility of the contractor. Boone Electric will insulate and deactivate the line at no expense to the contractor. However, the contractors time and expense of any required coordination will be incidental to the project.**
