1. Introduction and General Conditions of Bidding

- 1.1. **INVITATION** - The County of Boone, through its Purchasing Department, invites responses, which offer to provide the goods and/or services identified on the title page, and described in greater detail in Section 2.
- 1.2. **DEFINITIONS**
- 1.2.1. **County** - This term refers to the County of Boone, a duly organized public entity. It may also be used as a pronoun for various subsets of the County organization, including, as the context will indicate:
Purchasing - The Purchasing Department, including its Purchasing Director and staff.
Department(s) or Office(s) - The County Department/s or Office(s) for which this Bid is prepared, and which will be the end user(s) of the goods and/or services sought.
Designee - The County employee(s) assigned as your primary contact(s) for interaction regarding Contract performance.
- 1.2.2. **Bidder / Contractor** - These terms refer generally to businesses having some sort of relationship to or with us. The term may apply differently to different classes of entities, as the context will indicate.
Bidder - Any business entity submitting a response to this Bid. Bidders, which may be invited to respond, or which express interest in this bid, but which do not submit a response, have no obligations with respect to the bid requirements.
Contractor - The Bidder whose response to this bid is found by Purchasing to meet the best interests of the County. The Contractor will be selected for award, and will enter into a Contract for provision of the goods and/or services described in the Bid.
- 1.2.3. **Bid** - This entire document, including attachments. A Bid may be used to solicit various kinds of information. The kind of information this Bid seeks is indicated by the title appearing at the top of the first page. An "Invitation For Bid" is used when the need is well defined. An "Invitation For Proposal" is used when the County will consider solutions, which may vary significantly from each other or from the County's initial expectations.
- 1.2.4. **Response** - The written, sealed document submitted according to the Bid instructions.
- 1.3. **BID CLARIFICATION** - Questions regarding this Bid should be directed in writing, preferably by fax or e-mail, to the Purchasing Department. Answers, citing the question asked but not identifying the questioner, will be distributed simultaneously to all known prospective Bidders. Note: Written requirements in the Bid or its Amendments are binding, but any oral communications between County and Bidder are not.
- 1.3.1. **Bidder Responsibility** - The Bidder is expected to be thoroughly familiar with all specifications and requirements of this Bid. Bidder's failure or omission to examine any relevant form, article, site or document will not relieve them from any obligation regarding this Bid. By submitting a Response, Bidder is presumed to concur with all terms, conditions and specifications of this Bid.
- 1.3.2. **Bid Amendment** - If it becomes evident that this Bid must be amended, the Purchasing Department will issue a formal written Amendment to all known prospective Bidders. If necessary, a new due date will be established.
- 1.4. **AWARD** - Award will be made to the Bidder(s) whose offer(s) provide the greatest value to the County from the standpoint of suitability to purpose, quality, service, previous experience, price, lifecycle cost, ability to deliver, or for any other reason deemed by Purchasing to be in the best interest of the County. Thus, the result will not be determined by price alone. The County will be seeking the least costly outcome that meets the County needs as interpreted by the County.
- 1.5. **CONTRACT EXECUTION** - This Bid and the Contractor's Response will be made part of any resultant Contract and will be incorporated in the Contract as set forth, verbatim.
- 1.5.1. **Precedence** - In the event of contradictions or conflicts between the provisions of the documents comprising this Contract, they will be resolved by giving precedence in the following order:
 1) the provisions of the Contract (as it may be amended);
 2) the provisions of the Bid;
 3) the provisions of the Bidder's Response.

- 1.6. **COMPLIANCE WITH STANDARD TERMS AND CONDITIONS** - Bidder agrees to be bound by the County's standard "boilerplate" terms and conditions for Contracts, a sample of which is attached to this Bid.

2. **Primary Specifications**

- 2.1. **ITEMS AND/OR SERVICES TO BE PROVIDED** – Boone County, hereafter referred to as “County”, proposes to contract with an individual(s) or organization(s), hereinafter referred to as “Contractor” for a Term and Supply contract for the furnishing of all labor, materials, tools, equipment, transportation, services, and supervision to perform **Building Construction and Renovation Services** to various properties of Boone County – Missouri.
- 2.2. **Contract Period** - The Term and Supply Contract period shall be from July 1, 2016 through June 30, 2017, and may be automatically renewed for up to an additional four (4) one-year periods unless canceled by the Purchasing Director in writing prior to a renewal period. **Subsequent renewal periods will be July 1 through June 30.**
- 2.2.1. **Contract Extension** - The County Purchasing Director may exercise the option to extend the contract on a month-to-month basis for a maximum of 6 months from the date of the final contract period expiration if it is deemed to be in the best interest of Boone County.
- 2.2.2. **Contract Documents** - The successful bidder(s) shall be obligated to enter into a written contract with the County within 30 days of award on contract forms provided by the County, a copy of which is attached.
- 2.2.3. **Locations** - All services will be provided to any Boone County owned or leased facility.
- 2.3. **General Conditions**
- 2.3.1. This contract shall be for building construction and renovation services as requested by the Facilities Maintenance Department to meet the needs of various departments within Boone County on an “as required” basis. This is an annual contract for labor and material and is intended to be used by the County for building construction or renovation to be performed on accelerated schedule when conventional bidding practices are impracticable.
- 2.3.2. **Post Award Procedures:** Prior to the commencement of work on any major non-emergency work (\$6,000 or more), the County's Facilities Maintenance Manager will request the contractor to prepare a written "Not to Exceed Quote" containing the following:
 - a. Description of the work to be performed.
 - b. Estimated number of labor hours and types of labor by trade.
 - c. Material cost estimate/Labor Cost estimate.
 - d. Total cost of estimate.
 - e. Number of calendar days required to complete the work after County’s authorization.

It is the responsibility of the contractor(s) to ensure that he has all the information necessary to prepare the estimate. The completed estimate shall be signed and dated by the contractor and returned to the Facilities Maintenance Manager for review within five (5) working days after the date of request for estimate for non-emergency work. The County reserves the right to reduce the scope of work and request the contractor to submit a revised estimate, or to purchase the services from the secondary contractor, if the start and/or completion time does not meet the County's needs or an agreeable price cannot be reached.

The County will periodically spot check estimates to determine if the contractor has provided the lowest reasonable price for the requested services. If the contractor submits more than three estimates in one calendar year that exceed a reasonable, fair price by 15%, this shall be cause for termination of the contract.

- 2.3.3. **Commencement of Work:** The contractor(s) shall commence on-site work no later than ten (10) working days after the date of County written authorization of the work. Prior to the start of work, the County and Contractor shall mutually agree upon a completion date. Emergency work, if specified in the written authorization, shall commence within 24 hours after County authorization. Verbal authorization by the Purchasing Director is sufficient for assignment of emergency work. Repeated failure to meet estimated start and/or completion dates shall result in termination of the contract by the County.
- 2.3.4. The County reserves the right to bid any job with an estimated cost of \$6,000 or more.
- 2.3.5. In the event any provisions of contract are not fulfilled by Contractor, and or the quality of workmanship is deemed unsatisfactory by the County, the County may, upon written notice to the Contractor, terminate this contract in ten (10) days after such written notice.

- 2.3.6. **Procedures:** The extent and character of the services to be performed by the Contractor shall be subject to the general control and approval of the Facilities Maintenance Manager or his authorized representative(s). The Contractor shall not comply with requests and/or orders issued by others than the Facilities Maintenance Manager or his authorized representative(s) acting within his authority for the County. Any change to the contract must be approved in writing by the Purchasing Director and the Contractor.

- 2.3.7.3. The Contractor will be responsible for obtaining any and all required permits. The County shall waive any fees involved in securing County permits.
- 2.3.7.4. Attached Statement of Qualifications shall be completed and submitted with bid response.

The County shall require a list of ordered and delivered materials in each instance where Contractor is providing materials to the jobsite. The County reserves the right to audit the Contractors materials invoices on an as-needed basis as determined by the Facilities Maintenance Manager. Material percent markup shall be bid on the Response Page.
