ADDENDUM #2 - Issued April 15, 2019

This addendum is issued in accordance with the Response Page in the Request for Proposal and is hereby incorporated into and made a part of the Request for Proposal documents. Offerors are reminded that they should acknowledge receipt of this addendum and submit it with Offeror's Response Form.

Specifications for the above noted Request for Proposal and the work covered thereby are modified as follows, and except as set forth herein, otherwise remain unchanged and in full force and effect.

The County has received the following question and is providing a response below.

- 1. Can you tell me how many crews this contract would consist of? Also, can I get the estimated miles to be completed each year?**

Response: The awarded contract from this bid is for a term and supply contract that will be used throughout the initial one-year term. It is unknown at this time the number of miles that would be completed each year. The number of crews would depend on the type of work. For example, if Boone County experienced an ice storm, your quote for that particular job might include multiple crews. Please refer to paragraph 2.5. of the Request for Bid.
