Timothy & Angela Waller 11150 N Route B Hallsville, MO 65255

Dear Mr. or Mrs. Waller:

In 2001 you received a variance allowing you to place a singlewide home as a second dwelling under Zoning Regulations, Section 15.C (d) "to permit, in case of practical difficulty or unnecessary hardship, for a period of two years, the location of a mobile home on a lot" on your property located at 11160 N Route B. The Zoning Board of Adjustment granted that permit on the condition that the situation is reviewed every two years.

The Board of Adjustment has scheduled your permit for review on, **Thursday, October 27, 2022 at 7:00 PM**. Failure to appear before the Board on the above date may result in the variance being revoked which would require the singlewide to be removed from the property.

The hearing will be held in the Boone County Government Center Commission Chambers, 801 E Walnut Street, Columbia.

If you have any questions about this matter, please contact our office.

Sincerely

Paula Evans, Secretary

Boone County Zoning Board of Adjustment
